

„mini BREATHE!“

The affectionately named "mini Breathe!" is the 2m model of the 6m large main sculpture, which deals with the theme of breathing.

"Mini Breathe!" invites visitors to join the sculpture's breathing cycle (7 x 7 x 7 sec.) and to be inspired and guided by the elaborate lighting programming.

"Mini Breathe!" is a 40 kilogram, 2 meter high and 80 cm deep, 60 cm wide steel epoxy sculpture covered with a translucent white lacquer, colorfully illuminated by the light programming of the cycles.

This sculpture is packed in a case and can be sent to the exhibitions or exhibited personally by the artist.

Rental fee 2280.-brutto, gross for an event period of max. 10 days, excl. forwarding transport costs or personal delivery and exhibition by the artist (price by arrangement and evaluation).
